3 . O b j e c t s o f T h e E n v i r o n m e n t A s s o c i a t i o n I n c .

- a. To encompass and promote an ethic of caring and respect for the earth and all life and including a commitment to the principle of equality regardless of sex, age, disability, race, political or sexual preferences or religion.
- b. To promote an understanding of the natural environment in the local and broader community.
- c. To foster the conservation of Tasmania's natural vegetation, fauna and important geological, natural and archaeological features of Tasmania, and to promote the cultural heritage and landscapes of the region.
- d. To foster the protection of biological diversity and the retention and maintenance of all surviving indigenous species, ecological processes and systems.
- e. To encompass and encourage the principle: Reduce, Reuse, Recycle.
- f. To stimulate interest in environmental and conservation issues at a local, regional and national level.
- g. To encourage involvement of people within the community in projects and campaigns to improve the local, regional, national and international environment.
- h. To encourage, promote and work towards the protection and enhancement of the natural environment on a local, regional and national level.
- i. To educate and encourage the local and broader community to adopt more holistic and environmentally sensitive practices.
- j. To collect, collate and disseminate information of a scientific, political and social nature that relates to or impacts on the environment.
- k. To establish, manage and sustain a centre to facilitate participation and activities related to the environment, by individuals and groups within the local and broader community.
- l. To provide support through affiliation to such groups whose objects and purposes are consistent with those of the Association and upon agreement of said groups to abide, where appropriate, with the rules of this constitution and any policies set by the Association.
- m. To keep the members informed on a regular basis of the activities of the Association and its affiliated groups.
- n. To be actively involved in projects for the rehabilitation and protection of the natural environment.
- o. To provide advice and assistance in respect to specific conservation projects and undertakings, including research and management of public land, parks, reserves and sanctuaries.
- p. To work for law reform to improve environmental protection and sustainability and that will facilitate community participation and Government openness and accountability.
- q. The Association remain free of affiliation with any political party.
- r. The Association will operate as a non-profit organisation.
- s. To establish and maintain a public fund to be called The Environment Association Public Fund for the specific purpose of supporting the environmental objectives and purposes of the Association. The Fund is established to receive all gifts of money or property for this purpose and any money received because of such gifts must be credited to its bank account. The Fund must not receive any other money or property into its account and it must comply with subdivision 30-E of the Income Tax Assessment Act 1997.
